

FLEXMOD EXHIBIT

The **Capella** Collection is purposefully designed for visibility from all four sides on the show floor. The 20x20 Capella is an island booth (open to aisles on all four sides), and features a large lockable closet with fabric graphics on both sides, and two video presentation opportunities. The four lockable counters provide additional storage and product display surface.

The Capella Collection contains two Satellite exhibits that function independently: two 10' Meteors.

Celestial Features of the Capella Collection:

- Island booth
- Overhead branding on four sides
- Lockable storage closet with two fabric graphics
- Video presentation capability
- Two Satellite exhibits: two 10' Meteors

Satellites

Satellites orbit independently.

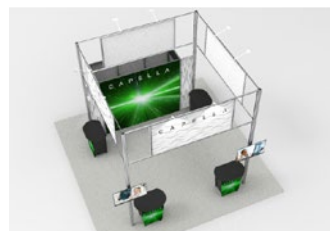

Meteor 10' x 10'
